SIR

I have the honour to state that on a report received from the ealth Officer of this Municipality stating that inspite of extra pressure put on the 2 lorries [illegible] Department it was found not possible to remove the accumulated rubbish during the rainy season with the help of the existing manure and silt carts, 20 silt carts at Rs 30/- + Rs 10/- each with one or two bullocks for the rapid removal of the night soil and rubbish from the City were ordered to be engaged for a period of 2 months in the first instance this was also approved by the Council on 6-1-1943 (vide copy of resolution enclosed for reference) the Health Officer reports that since 20 silt carts could not be engaged for work as they were not available only 2 carts were engaged for work from 1-12-1943 and that their services were dispensed with from 1-2-1944 ~~The expenditure from this account will be met out of the current year's budget under Rule (4) of Rs 2,000/- provided for the removal of night soil and~~

8/18

Since the cartmen were pressing for payment in respect of the 2 cart at Rs 30/- + Rs 10/- each, the claim has been ordered to be passed provisionally in anticipation of kind sanction of Government

In these circumstances sanction of Government may kindly be obtained for the entertainment of 2 silt carts for a period of 2 months from 1-12-1943

I have the honour to be
Sir
Your most obedient servant
